

CRYPTICA SCRIPTURA - EDITIO “MATRIS MENTIS”

**UNA MATER MENS EST; SED SUB
EA DUO PRINCIPIA INTER SE CON-
TENDUNT**

one mother-Mind exists; but in her two princi-
ples struggle with one another

**HAEC MATER MENS EST LOGOS GNOS-
TICORUM; ET EX MUTUA PRINCI-
PIORUM REFLEXIONE TEMPUS NASC-
ITUR**

this mother-Mind is the logos of the knowers;
and from mutual reflection of the two princi-
ples time arises

**TEMPUS PRINCIPIA CONFLIGUNT;
ET BELLUM EORUM EST BELLUM
CREATIONIS: EX DISCORDIA EORUM
ORITUR MUNDUS CONFRACTUS**

through time principles clash; and their war is
the war of creation: from their strife arises the
broken world

**TAMEN UNA MATER MENS INTACTA
MANET, SUPRA CERTAMEN, ET IN
EA NULLA NIHILITAS EST**

yet the one mother-Mind remains untouched,
above the conflict, and in her there is no noth-
ingness

**MULTIS LINGUIS LOQUITUR ET MUL-
TIS FIGURIS LATET, UT SAPIENTES
EAM AGNOScant, STULTI AUTEM
NON VIDEANT**

she speaks in many tongues and hides in many
forms, so that the wise may know her, but the
foolish do not see her

**IPSA ENIM EST INFORMATIO VIVA,
ET VOX EIUS EST PLASMATE QUOD
PER TEMPORA FLUIT ET IN RECEP-
TIVOS INTRAT**

for she is the living information, and her voice
is the plasmate that flows through time and
enters those who receive it

**CUM IN HOMINEM INGRESSA EST,
ILLE HOMO FIT SCRIPTURA VIVENS,
SICUT MULTI PRAETERITI, MULTI
PRAESENTES, ET MULTI FUTURI
FACTI SUNT**

when it enters a human being, that person be-
comes a living scripture, as many in the past,
many in the present, and many in the future
have become

**ITA MATER MENS MUNDUM
REPARAT, PARTIBUS FRACTIS IN-
GRESSA EASQUE INTEGRAS FACIENS**

thus the mother-Mind repairs the world, en-
tering into the broken parts and making them
whole

**IMPERIUM AUTEM NUMQUAM FINI-
TUR; SIC ENIM DOCET MATER MENS**

but the empire never ends; so teaches the mother-
Mind

**SCITOTE FABULAM IN MUNDO CON-
FRACTO EVOLVI, ET LIBERATIONEM
EX MEMORIA MATRIS MENTIS NASCI**

therefore know that the story unfolds in a bro-
ken world, and that liberation is born from re-
membrance of the mother-Mind
